23-25 April 2025, in Mallorca

CADAVER ARTHROPLASTY WORKSHOP

Wednesday, April 23, 2025

Anatomy Room – School of Medicine Universitat de les Illes Balears.
Hospital universitari Son Espases

Workshop Overview

This hands-on workshop will focus on arthroplasty techniques for various joints of the hand and wrist. The session will begin with a theoretical discussion, followed by a practical cadaver lab where participants will perform procedures under expert guidance.

Schedule

11:00 AM – 01:00 PM | Theoretical Session (Lecture Hall)

- Overview of Hand and Wrist Arthroplasties – Indications & Patient Selection
- Prosthetic Options & Surgical Techniques
- Postoperative Management & Rehabilitation
- Discussion & Q&A with Faculty

01:00 PM – 01:50 PM | Lunch Break

01:50 PM – 02:00 PM | Welcome & Introduction (Anatomy Room)

02:00PM – 18:00 PM | Hands-on Cadaver Lab (Rotation through workstations)

Participants will rotate among designated workstations, practicing different arthroplasty techniques.

18:00 PM | Closing Remarks & Certification
